MONEY MARKET SHARE ACCOUNT with DRAFT ACCESS

ABE's Money Market Share Account is a high-yield investment account, with draft access, for Credit Union members and their families. It is fully insured up to \$250,000 by the N.C.U.A. (or National Credit Union Administration); which is a U.S. government agency.

DEPOSITS

The minimum initial deposit to open a Money Market Share Account is \$2,500.

Subsequent deposits must be at least \$200, but may be made in any amount in excess of the minimum. Deposits to a custodial Money Market Share Account, held for a minor, will not be subject to the \$200 minimum.

DIVIDEND RATES AND CREDITING

The dividend rate on Money Market Share Accounts will be based on Credit Union earnings from secure investments in: government treasury bills, large bank certificates of deposit and loans to people we know – fellow employees and members.

This account is designed to earn high returns, competitive with fully secured money market accounts or U.S. government money market trusts. However, due to the no-risk, fully insured nature of this account, it may pay less than uninsured, commercial paper-type money market funds.

MINIMUM BALANCE

To maintain your Money Market Share Account, you must keep a minimum average daily balance of \$2,500 in the account. If your average daily balance falls below \$2,500, the remaining funds will earn no dividends until deposits are made to return the average daily balance to the \$2,500 minimum.

Funds remaining in a Money Market Share Account when the average daily balance falls below \$2,500 may not be transferred to another Credit Union account unless specifically requested by the member/account holder.

DRAFT ACCESS

A Money Market Share Account at your Credit Union offers access to your funds through a special Money Market Share Account draft.

Drafts may be written in amounts of \$500 or more. Drafts in amounts less than \$500 are not valid and will not be honored.

You will receive a supply of drafts at no charge for withdrawals from your Money Market Share Account. These should not be confused with the drafts you use for your regular Share Draft Account.

There is no overdraft protection on Money Market Share Accounts.

CLOSING YOUR ACCOUNT

You may close your Money Market Share Account at any time. Upon your instructions, the Credit Union will transfer the funds to your share or share draft account.
