Dear Valued Member,

We are pleased to announce that we will be upgrading our Online & Mobile Banking service in July to bring you a more powerful experience than ever before. The new system will deliver the latest in smart technology to simplify, speed up and centralize your financial management tasks for convenient one-stop, non-stop access. It's the future of banking and it's almost here.

We will provide you with more detailed information in the coming weeks, but here is a sneak peek at some of the new features you will enjoy with the upgrade:

- **Budgeting tools**
- **Spending tracker**
- **Biometric authentication (Scan your fingerprint to login)**
- **Send and receive money to friends and family using email address or mobile number**
- **And much more!**

We are confident that this upgrade will greatly enhance your overall online and mobile banking experience with ABEFCU.

Regards,
